CHARTERED ACCOUNTANTS

PRESS RELEASE - 22 MARCH 2021

Bright Grahame Murray becomes a member of Integra International®

Bright Grahame Murray is a member of Integra International®, a global association of Chartered Accountants, CPAs and Business Advisors that share knowledge openly and regularly. Member firms offer a wide range of professional services to their clients, meeting their national and international needs.

Founded in 1994, Integra International® has offices in almost every major business centre of the world.

The knowledge (both domestic and international) of the five thousand individuals involved in Integra International® is available to be drawn upon by any member needing assistance.

All member firms are local independent firms, owned by successful partners who understand the unique culture of the owner-managed business. As independent, owner-managers, the member firms are committed to the highest

professional standards, a full understanding of client needs and strategy and adding value to clients through innovative solutions.

Each firm has partners experienced in advising clients engaged in international business as well as local. Importance is placed on bridging cultural and linguistic differences between negotiating parties - a vital catalyst for a successful transaction.

BGM Senior Partner Mark Cole comments:

“Our membership of Integra International will significantly enhance the range, depth and quality of services we provide to our clients. In an increasingly complex and competitive international business environment, this exciting development also demonstrates our commitment to helping clients make the most of the opportunities available to them.
